MUSIC IN PLYMOUTH 5K

The *Music in Plymouth 5K*, run each year on the last Saturday in June, was designed to achieve the dual purpose of creating another fun, family-friendly outdoor event in the heart of Plymouth and providing another funding stream to support Music in Plymouth.

The race, which draws hundreds of participants from around the Twin Cities and beyond, is equally enjoyed by serious runners, walkers and families, all of whom gather at the finish line for an awards ceremony, prize drawings, and refreshments! The certified course begins and ends at the Hilde Performance Center and winds through Plymouth Creek Park on beautifully maintained trails. All proceeds from the event support Music in Plymouth.

The 27th annual MIP 5K took place on June 24, 2023, and the first place winners in all age categories will be recognized here tonight.
